**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of Dominion. Before, I was a customer of SCE&G since 2004.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

On Jan 2, 2019, Dominion purchased SCANNA (owners of SCE&G). In that purchase agreement PSC required a temporary freeze of SCE&G rates as an offset to all the money us citizens paid for the failed nuclear plant. - An agreement was made for the consumers to get refunds for the failed nuclear plant totaling \$2.45 million over 20 years. - An additional agreement that freezes our energy rate with no increases until Nov. 1, 2021. In 2020, Dominion raised the rate by 8%. So not even 1 year later, 8% increase despite the promise to not raise rates until 2021 minimum seems to be out the window. Enough is enough and we want to see Dominion stand by their promises (promises that are written in the contracts). If Dominion is hurting for money then maybe the top executives should take a pay cut from their multi-million dollar salaries to offset their business costs!

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
